

1. ENVIRONMENTAL POLICY

Sussex Estate Care Ltd is committed to preventing pollution and minimising the impact of its operations on the environment by means of a programme of continuous improvement. In particular, Sussex Estate Care Ltd will:

- Meet and, where appropriate, exceed all relevant legislative and other requirements; where no regulations exist, we shall set our own exacting standards.
- Maintain certification to ISO14001.
- Seek to reduce consumption of materials in our operations, reuse rather than dispose of whenever possible, and promote recycling and the use of recycled materials.
- Reduce wherever practicable the level of harmful emissions.
- Work with our suppliers to minimise the impact of their operations on the environment through a quality purchasing policy.
- Site our buildings, structures and operational plant so that we minimise visual, noise and other impacts on the local environment.
- Include environmental issues in Sussex estate Care Ltd training programmes, encourage all our staff to implement sound environmental practices.
- Monitor progress and produce an environmental performance report on an annual basis.
